

# Floriade

Specially developed, maintenance free fence for protection of all kinds of planted and grassed areas.

## Design

A low, strong fence that discourages passage away from designated routes. Smooth design without sharp edges. Made to fit perfectly into natural surroundings. Option for mowing plates to stop grass growing around posts, makes cutting of grass by machine easier.

## Height

300mm or 450mm standards.  
Other heights on request.

## Construction

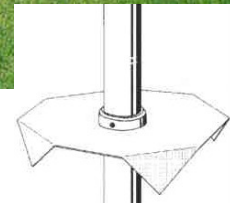

Ø60.3x1.75mm CHS post, length 1.00m set at 2.00m centres. Post with hole through which a Ø41.5x2mm CHS rail passes. A cast alloy cap with locking screws locks rail and post together.

### \* Option

450x450mm mowing plate with turned down corners & locking collar.

## Surface Treatment

- Hot dip galvanised as standard:
- Option; additionally powder coated:
  - (i) Standard RAL colour:
  - (ii) Any RAL colour:
